

Throughout your child's stay at Ionian Village, the staff will be taking photographs of the participants' activities and posting them on the Ionian Village website (www.ionianvillage.org) and also onto our site with eRegister. This common practice of many programs keeps parents and friends back home informed of the participant's daily activities.

Please read the following, complete, and sign below.

I understand that it is the intention of the Ionian Village program to have my child's participation in the program recorded on videotape and in photographs which may be posted on the program's website, used in camp session and promotional videos, and used in promotional materials.

I agree to and grant Ionian Village the right and authority to videotape and photograph my child's activities and to use any recording of my child's participation in the aforementioned program in any and all media. Such recordings and photographs become the sole property of the Ionian Village.

I give permission for the use of any video images, photographs, audio recordings, or any other visual or audio reproduction that may be taken of my child during camp to be used in the camp video, on the camp website, for promotional purposes of the camp, or shown as the Ionian Village sees fit.
